Re: Your File Number 0431205002 -- DuPage County

Dear Ms. Czech,

VENUS LABORATORIES
GW/ANALYTICAL RESULTS

Venus Laboratories, Inc. was inspected on 4-3-91. Samples were taken on this date. The sample labelled X201 from a 55 gallon drum was analyzed by your department. I never received a written statement advising me of what should be done with the drums of construction debris. Please reply in writing. If you have any questions, then please contact me at 708-595-1900. Thank you for your assistance.

Sincerely,

Elli Manolas
